## Feeling Unwell

Thank you to all the parents, you have been really good at keeping your children off when they are too poorly to play.

Keeping off Playgroup when they have a high temperature/feel poorly helps to keep bugs away.

The water station will remain outside, so please continue to wash your children's hands before each session.

## Polite reminder

Please could you ensure all of your children's belongings are clearly labelled.

With the warmer weather here, please also provide sun cream and sunhats.

Please only put water in drinks bottles.

This helps the staff ensure all children go home with all their belongings at the end of each session with ease.

## AGM

In July we have our AGM where we elect our Committee Members for the coming year.

If you are interested in joining our hard working volunteers please get in touch
