Tuesday	9am	1245	3pm
Wednesday	9am	1245	3pm
Thursday	9am	1245	3pm

Contact Number

Playgroup mobile: 07859533982

Snack Time

We would love your donations of fruit for snack time. Please bring in a piece of fruit per week. We would also like donations of crackers, breadsticks, rice cakes, bread.

Dates for your diary

Monday 28th February: Inset day

Tuesday 1st March: Term 4 begins and pancake day

Thursday 3rd March: World Book day

Thursday 10th March: Chloe and Helens last day at playgroup

Thursday 7th April: Last day of term

Monday 25th April: Term 5 begins

Pancake day! (Tuesday 1st March.)

It's pancake day, on our first day back at playgroup. We shall be enjoying some yummy pancakes for snack, with a variety of toppings for your children to choose from. We may even have a pancake race or two!

Thursday 3rd March is World Book Day! Children are invited to come to playgroup dressed as their favourite character from a book. Dressing up is completely optional, and lots of activities will be on offer throughout the day. If you would like to borrow a costume from our dressing up, please ask a member of staff.

Staff notices

Sadly this month we lose two very valued members of staff; Chloe and Helen.

Chloe has been at playgroup for 7 years and our playleader for 2. We will miss her contagious smile and dancing with her to music on the big screen.

Helen has been our deputy playleader for 15 years! We will miss Helen taking us to forest school, drawing funny pictures on our "Once upon a time" stories and her very extensive Dinosaur knowledge!

Thankyou both for your hardwork and dedication to playgroup over the years.

You will be greatly missed by all the children, their parents and of course the team and committee.

We wish you both the best of luck in the future!

Mask Wearing

Masks are not compulsory at pick up and drop off. You are more than welcome to wear one if you would like to.

Guidance

In light of it not being law to isolate it is still guidance to isolate and stay at home to protect others. Please adhere to government guidance.

Our Playgroup Policy will continue until further notice.

Guidance is to stay home if you are positive for at least 5 days. You can return after 2 negative tests.

If you are too poorly to play then please stay at home.

Children must not have Calpol before coming to Playgroup. This is very important as can mask a more serious illness such as meningitis. In an emergency situation we need to let paramedics know if they've had medicine.

If children develop a high temperature they will be sent home. A normal temperature for children is around 37. A common sense approach will be in place and children who have been running around or don't appear poorly will be checked again after 20 mins.

If a child has had continuous doses of Calpol the day before a Playgroup session please keep them off for 24 hours to ensure they are well enough to be in.

If you have any of the main 3 symptoms of covid please do a test and stay away from Playgroup.

We have a duty to report positive cases to the Local Authority so please continue to let us know, even in the holidays.

If you test positive yourself please do not come onto playgroup grounds until you have 2 negative tests 24 hours apart.

Please let me know if you have any questions.
