### Lunchboxes

Please have a look on the sugar swaps website for some healthy lunchbox ideas.

We suggest a sandwich or pasta with some fruit, a few crisps and a yoghurt. We do allow a small treat such as a small homemade cake or a biscuit. A small carton of juice at lunch is okay.

No sweets or fizzy drinks please. Please remember water in bottles and not squash.

### DON'T RISK IT, QUARTER IT

**Choking is one of the leading causes of death for children under 3.** Even if your child is confident eating solid foods, a grape or a cherry tomato is just the right size to get stuck in their windpipe.
